STOLEN-From arn of Hubbard Tuttle Jr. last Monday night Aug. 15, a dark iron gray horse 4 years old about 16 hands high, weighs about 1050 pounds, branded I with a circle over it on the left thigh, wire cut on the left front foot, notch cut in left side of tongue. Finder return to Dr. Scott and receive reward.

Old Penrayivania Bank Notes. The state treasury a: Harrisburg. Pa., which frequently receives 'shin plasters" and old forms of currency and bank notes for redemption, was recently asked to pay the value or two notes of the Northampton bank of Allentown, which a citizen of that part of the state had discovered at his home. The notes were dated in the late '30's and one was for firs dollars and the other for ten dollars it was found upon inquiry that the bank closed its doors at one time and the writer had admitted it. The notes will be returned if the writer wants them or will be kept among the curiosities at the capitol.

COUNTY BASE BALL LEAGUE

Payson Increases Lead by Winning from Springville and Spanish Fork. Occidentals Cut Big Figure in County Base Ball.

Langford Wins Game for Lehi

Boll Weevil Hard to Kill.

a Texas farmer caught a lively one

and placed it in water where it would

freeze to death during the night. Next

morning he found the water had tro

zen solid and the weevil was in the

cake of ice, and the farmer congratu

lated himself on the discovery that

cold would kill the weevil. But when

the he melted the bug walked around

as lively as before freezing, and that

successfully used in nine epidemics of

dysentery. It has never been known

children and adults, and when reduced

with water and sweetened, it is pleas-

ant to take. Sold by all dealers.

Monarch's Spying Discounted. One of the favorite pastimes of Emperor Menelik of Abyssinia is to mount a tower of observation, which he has constructed for the purpose, and watch his subjects going about their duties in the streets and open spaces through a powerful telescope One disadvantage of this method of spying is that it is perfectly well known to the people themselves, who consequently do not give their "king of kings" much opportunity for discovering any deed worthy of punish-
